<b>Name:</b> <b>BROOKSIDE TEDDY MUNCHKIN</b>	

### Additional Information

If testing for a disease or a disorder was performed and results indicate the animal is affected or at risk, we recommend contacting your veterinarian for further clinical evaluation and for additional information on disease and management.

For more detailed information on Arabian Genetic Health Panel test results, please visit our website at:  
[www.vgl.ucdavis.edu/panel/arabian-health-panel](http://www.vgl.ucdavis.edu/panel/arabian-health-panel)

### License Information

The LFS test is performed under license from Cornell University.

For terms and conditions of testing, please see [www.vgl.ucdavis.edu/about/terms-and-conditions](http://www.vgl.ucdavis.edu/about/terms-and-conditions)

Results are determined using PCR-based methods. The results relate only to the sample tested as identified by the submitter (for example, identity and/or breed).
